President's Message

Hello and greetings to all of the Central Pennsylvania CSI members! I am looking forward to being your chapter president this year. Many thanks to Stu Cluck, and all

board and committee members for all the fine work and efforts during the past 12 months. Stu will be my advisor this year, and he is a wealth of knowledge. Our board of directors this year has three new members, Richard Dropik, Jim Kingsboro, and Roger Herre, and three returning members, Larry Saylor, Jake Burkholder, and Ed Metzger. I am looking forward to working with these fine people each month to better the chapter. Many things have happened during the summer board meetings: one that I am excited about is our new chapter web site that is being constructed. Watch these pages for more information. It promises to be a quality site when it gets up and running. The Middle Atlantic Region Conference this year will be in Washington DC, on Thursday September 28th thru Sunday October 1. For those who have attended in the past, these conferences really bring forth the true CSI. This conference has a quality lineup of programs, like tours of embassies, a golf tournament, a Major League Baseball game, a Department of State Diplomatic Room tour, as well as Certification competency testing. Check it out at www.csi-building-diplomacy2006.com. See you in Washington on the 28th!
